Honorable Harold Weisberg
Route 8
Frederick, MD 21701

Dear Harold:

I received a copy of your letter addressed to Dear Paul and assume it deals with the Ray case in Memphis. As you may or may not be aware, Foreman practices law in Houston and we see very little of him here in Dallas. I know of only one case that he has tried since I have been District Attorney here in Dallas.

I hope your health is fine and that your financial situation improves.

Sincerely yours,

HENRY WADE
CRIMINAL DISTRICT ATTORNEY
DALLAS COUNTY, TEXAS
